**DEMENTIA.** The frustration of trying to communicate with a person who is confused can strain even the most loving relationship.

At Atrium Village, our programming affords the senior customer the comfort of being safe within their frame of reference. Reminiscing techniques help retain language skills while sharing memories of "Joltin' Joe" can be quite satisfying and enhance self-esteem.

Provided a sense of home and comfort, each Atrium Village customer lives life to full potential with dignity, respect, and acceptance. And our secure surroundings help reduce family anxiety and enrich the quality of life for the senior customer.

We're in the neighborhood. Inquire confidentially for information or availability by calling 410.363.0330 Or stop by to visit, you're welcome at any time.
