

NOW OPEN SATURDAYS FROM 10 TO 2!

We've got big plans for your street bike.

MC Custom. The Makeover Specialists.

In a few short years, Frederick's own Metropolitan Choppers has gained an international reputation for building some of the baddest bikes around. And now that Rick & Big Dan have finished touring for the summer they're here to help make over your street bike into the ride you've always wanted.

Want a fat tire on that sport bike? Tell us how big. Modified swingarms, extended front ends, one-off custom wheels?

No problem.

Talk and dream with the boys at MC Custom. Ask about easy financing and parts and MC labor warranties. The shop's open during the week from 9 to 5 and Saturdays from 10 to 2. And there's always Free California Tortilla munchies on Saturdays.
