Meet The Street Bike Makeover Gang

Your bike will never be the same.
And neither will you.

You've seen their bikes on Fear Factor, in ESPN commercials, with Donald Trump, Big Schwagg, and Jay Leno, and in the garages of John Daly, Natalie Gulbis and G. Gordon Liddy.

Now, with MC Custom, Rick, Big Dan, and the Metropolitan Choppers crew bring their affordable, one-of-a-kind street bike makeovers to the streets of Frederick.

Sport bikes with fat tires, baggers with modified swingarms, street bikes with extended front ends; you dream it, MC Custom does it. Stop in the shop and talk to the guys. Ask about easy financing and parts and MC labor warranties.

MC Custom is open during the week from 9 to 5 and on Saturdays from 10 to 2. And there's always Free California Tortilla munchies on Saturdays.
